SAMPLE CV · FICTIONAL PERSON

Hadiza Tanko-Obi

Economics Graduate · Research & Programme Support

Abuja, Nigeria +234 800 000 0000 hadiza.sample@example.com linkedin.com/in/hadiza-sample

PROFESSIONAL SUMMARY

Economics graduate with hands-on experience in data collection, report writing and programme coordination at a non-profit and a retail company. Organised, accurate and comfortable working with spreadsheets and survey tools. Looking for an entry-level programme, research or business analyst role in Abuja.

EDUCATION

B.Sc. Economics, Second Class Upper 2019 – 2023

Capital City University, Abuja

- Final-year project: household spending patterns and mobile money use among small traders in Abuja.
- Relevant courses: Econometrics, Development Economics, Statistics for Social Sciences, Public Finance.

WORK EXPERIENCE

Programme Support Intern Mar 2023 – Sep 2023

Brightfield Community Foundation, Abuja

- Collected and cleaned survey data from community visits and entered it into Excel for the monthly report.
- Prepared meeting notes, attendance records and short updates for the programme manager.
- Helped plan two community training days, including participant lists and materials.

Sales & Customer Support Assistant (Part-time) Jan 2022 – Dec 2022

Lagoon Retail Ltd, Abuja

- Served walk-in and online customers, handled enquiries and kept daily sales records accurate.
- Tracked stock levels in a shared spreadsheet and reported low items to the store manager.

SKILLS

Analysis	Microsoft Excel (pivot tables, formulas), basic SPSS, survey design and data cleaning
Communication	Report writing, email correspondence, presentations, note-taking
Tools	Microsoft Word, PowerPoint, Google Workspace, KoboToolbox
Languages	English (fluent), Hausa (fluent)

CERTIFICATIONS & ACTIVITIES

- Data Analysis with Excel, online course, 2024
- Volunteer, campus financial literacy club, 2021 – 2023
